to fight COVID-19,.....[1] has reached 50 mn users in just 13 days. Prime Minister Narendra Modi had appealed to all the citizens of India, during his nation-wide address to download the app to stay alert and healthy. ....[1] App was launched on April 2, 2020 to help combat the COVID-19 pandemic. The app uses the data from the user's smartphone to alert the user if he/ she has been near anyone who has tested positive for COVID-19. The app will issue alerts if the user has crossed paths with someone tested positive for coronavirus. The app can track the user's interaction with the person through Bluetooth and location generated social graph. The app will send out alerts even if the user comes in close proximity with the COVID-19 positive case even unknowingly. The alerts are combined with instructions on how to self isolate and what to do if someone develops symptoms and may require help or support. The app collects information such as the location of the user and details of those he/ she came in contact with. The data is sent NIC servers if the user comes in contact with an infected person or when their probability of getting infected is high. The district administrations have been urging all educational institutions and related departments to encourage students and teachers and others to download the app. Private companies have also begun requesting their employees to download the app to ensure the safety and security of their people. The .....[1] app was developed under the supervision of a committee set up by the Prime Minister's Office. It also saw active involvement from NITI Aayg and the Union Ministry of Electronics and IT. As per sources, Tata Consultancy Services is working on testing and some of the other aspects. Tech Mahindra and the Mahindra group is also working with the committee to develop the next version of the app by leveraging next-generation technologies such as AI, machine learning and data science. Tech Mahindra is also working to expand the reach of the.....[1] on all kinds of phones. The current version of the app is only suitable for smartphones.

6. **Name the COVID-19 tracing App which has been replaced with [1] in the above passage?**
  - a) Corona Kavach
  - b) Aarogya Setu
  - c) Corona Care
  - d) Jeevan App
7. **Which is the first State/UT to start pool testing of COVID 19 samples ?**
  - a) Maharashtra
  - b) Delhi
  - c) Uttar Pradesh
  - d) Rajasthan
8. **Who is the present C.E.O of the National Institution for Transforming India (NITI) Aayog and has been replaced with [2] in the above passage ?**
  - a) Amitabh Kant
  - b) Rajiv Kumar
  - c) Prof. Ramesh Chand
  - d) Dr. V.K Saraswat
9. **Which is the first green state in the country with no coronavirus cases ?**
  - a) Manipur
  - b) Goa
  - c) Kerala
  - d) Tripura
10. **Who has launched the "Saptapadi" to fight Coronavirus ?**
  - a) President Ram Nath Kovind
  - b) Amit Shah
  - c) Venkaiah Naidu
  - d) Narendra Modi

To keep the social distancing norm fulfilled amid COVID-19, smart cities are collaborating with certified doctors and health experts to provide online medical consultation facilities to citizens. This decision of collaboration was taken on the lines of guidelines issued by the Ministry of Health and Family Welfare (MoHFW) along with NITI (National Institution for Transforming India) Aayog and Indian Medical Council (ICM) to allow remote delivery of medical services during the lockdown period.

- Under this doctors can write prescriptions based on telephonic, textual or video conversations — chat, images, messaging, emails, fax and others. This will reduce the risk of Covid-19 spread. Ahmedabad again named as India's No.1 Smart City The city of Ahmedabad in Gujarat has been ranked as the top Smart City in India for its execution of smart projects in handling COVID-19 pandemic. The Command and Control Centre of Ahmedabad's Smart City Development Ltd (SCDL) has played a key role in this achievement with proper enforcement and monitoring of lockdown. Key Initiatives taken by Command and Control Centre of SCDL:

- It carried out surveillance through the 3,500 cameras installed all across the city. In case, any violations found, police actions were taken against the offenders.

- Initiation of vegetable-on-wheels, as part of which e-rickshaws visits residential societies to facilitate sale of vegetables.

- Helpline number '155303' is provided for senior citizens to avail essential goods and can also complain about lack of services or improper civic work on this helpline.

- Variable messaging display screens have also been put up at 38 locations in the city to educate citizens about precautions to be taken against coronavirus.

Famous Bollywood star.....[1] whose international movie career included hits such as Slumdog Millionaire, Life of Pi and the Amazing Spider-man etc., passed away at the age of 53 due to colon infection in Mumbai, Maharashtra. He had been battling neuroendocrine cancer since 2018. He was born on January 7, 1967, in Jaipur, Rajasthan. He earned a scholarship to study at National School of Drama (NSD) while pursuing his MA (Master of Arts) degree. After NSD, He moved to Mumbai to pursue his passion and went on to appear in a slew of well-known shows at the time like Chanakya, Bharat Ek Khoj, Banegi Apni Baat, Chandrakanta etc. He made his screen debut in the 1988 Mira Nair directorial.....[2]. After struggling for many years, success finally came to him after he starred in Asif Kapadia's The Warrior (2001). The actor went on to star in several acclaimed films such as Haasil (2003), Maqbool (2004) Life in a Metro (2007), Paan Singh Tomar (2011), The Lunchbox, Haider (2014), Piku (2015) and Talvar. He has acted in over 50 Indian films. He was also known for his work in international projects like The Namesake, The Darjeeling Limited and Jurassic World among more. He was last seen in Bollywood comedy film, Angrezi medium, which was released in March 2020. He was honoured with Padma Shri by the Government of India (GOI) for his significant contribution to arts and cinema. He also won the National Film Award and 4 Filmfare awards. He was among the first Indian actors to make a consistent mark in Western cinema, following earlier crossover pioneers like Saeed Jaffrey, Roshan Seth and Om Puri. He also collaborated with Oscar-winning directors such as Danny Boyle, Ang Lee and appeared in the HBO (Home Box Office) show In Treatment. He was described by Peter Bradshaw of The Guardian as "a distinguished and charismatic star in Hindi and English-language movies whose hardworking career was an enormously valuable bridge between South Asian and Hollywood cinema."
